2021 Projects for Young Families

Introduction:

In 2021 the CCYF will again be offering one-off grants of $500 to help support projects that are coordinated for young families.

CCYF and the Archdiocese recognise that inspiring work for young families is already occurring throughout Adelaide and we aim to support some of these existing projects and/or new initiatives that young families are keen to facilitate/coordinate in 2021.

Mission Statement

The Catholic Archdiocese of Adelaide seeks to be a church where young families experience an inclusive community which:

- Listens and enters into dialogue with young families
- Connect with a diversity of families
- Form young families in their humanity, faith and relationships
- Engage with parishes, agencies and communities who advocate, support and accompany young families

It is committed to offering opportunities for and with families to participate in the life, faith and mission of the church.

Eligibility

- Projects must be designed and run young families and those supporting young families to a significant degree
- Projects that actively support and promote the Archdiocesan mission statement
- Projects which aim to build the capacity of young families in the Archdiocese
- Grants are for one year only and are provided on a once off basis
- Projects must focus on a broad group of young families (i.e. beyond one parish or group)
- Successful groups of young families who are granted funds in 2021 will be expected to produce a 1 page summary of their project outcomes and successes by December 2021.
