

# Prayer for Healing

Loving and compassionate God,

I come before you seeking your healing touch. Ease my pain, relieve my suffering, and restore me to wholeness in body, mind, and spirit. May your comforting presence be my strength, filling me with hope, love, and peace.

Grant me patience in my healing and trust in your grace, knowing that you walk with me always.

Amen.

# Prayer for Healthcare Workers

God of all compassion,

We ask for your abundant blessings upon all healthcare workers as they care for the sick and injured. In times of crisis, vulnerability, and uncertainty, may they be strengthened in their work, guided by wisdom, and sustained by your grace. May they always know how deeply they are valued and appreciated.

Amen.
