

Disaster & Recovery Ministries

South Australia

Do you have a listening ear?

Would you be prepared to offer a ministry of presence, care and comfort to people affected in times of great need?

You are invited to be trained as a chaplain for Disaster and Recovery Ministries SA

Disaster and Recovery Ministries is coordinated by the Uniting Church in SA. We train and deploy teams of people from many faith communities who, at the invitation of the SA Government, provide pastoral and spiritual support to others in the community during times of disaster and subsequent recovery

Who we are and what we do:

- As Chaplains we are trained volunteers with nationally-recognised accreditations
- We offer compassion, comfort and a listening ear and we can be asked anything – no questions are off limits
- We offer support through grief, hopelessness and those coming to grips with a changed worldview
- We do not judge, we have no agenda and we are not about changing anyone's beliefs
- We won't talk to people about God (unless they want us to)
- We come from a variety of different faith backgrounds
