Dear Vicar General, Clergy Life and Ministry Co-ordinator, Vicar for Religious, Pastoral Associate, Health Care Coordinator, Chaplain and Christian Administrator

We are pleased to inform you of this our second **40-day Sabbatical Program** at Santa Casa Retreat Centre. Queenscliff, VIC.

Honouring the Soul:
Deepening our Encounters with God,
Self, Others and Creation

This is a unique opportunity for your priests, religious, faith leaders, staff and lay associates to **be renewed in mind, body and spirit** so they may continue their ministry as Christian servant leaders for your community and organisation. Participants in our inaugural program last year gave very positive and enthusiastic feedback which can be read on the Santa Casa website.

Please also find attached the brochure promoting the sabbatical and an insert giving a summary of the day-to-day program of topics and presenters.

Yours Sincerely,

Cathy

Cathy Solano rsm

Program Coordinator
