The overall activity level of this tour is a level 3. This means you're an on-the-go traveller. You don't want to miss a thing, so walking and standing for longer periods of time (2-3 hours) isn't a big deal. A moderately paced two-and-a-half-hour walking tour, covering several miles, hills, and uneven surfaces that may be slippery, is no problem for you. Walking four miles over the course of a day is very doable, as is climbing into and out of various modes of transport, such as tender boats, to access shore. This level is not a fit for travellers who require mobility assistance devices.

Accessing one of the two monasteries in Meteora requires climbing approximately 200 steps.

Travellers must be able to climb on and off tender boats to access shore at select ports during the cruise.

If you require any special assistance while on tour, please make us aware at time of reservation so the necessary request form can be sent to your attention.

In order to access the Acropolis archeological site, you will be required to climb about 50-60 steep uneven steps and walk over rugged terrain with loose stones and without railings.

Expect longer days with early mornings starting from 6:00-7:30am and some late nights balanced with free time to recharge or set out on your own adventure. There are several days that may be 12+ hours long, especially while visiting 2 ports of call on the cruise ship, but there will be

PLEASE NOTE:

Experience It! Philippi

Toward the end of the year 52 C.E., Paul the Apostle arrived in the ancient city of Philippi to preach the new faith. Philippi was a bustling and prosperous Roman garrison town on an important trade route between Italy and Persia. Its population's religions reflected the diversity of such a busy settlement. Residents worshipped Greek, Roman, Phrygian and Egyptian gods and there was a small Jewish population as well. Here Paul met Lydia, a local woman and merchant of purple cloth, who became the first European Christian. Paul's time in Philippi is described in the Acts of the Apostles, and his ongoing relationship with the city's residents and growing Christian population is revealed in his Epistles to the Philippians. Philippi is considered to be the most important archaeological site of eastern Macedonia. Explore the impressive site with a local guide and see where Paul baptized Lydia and where he was held prisoner by Roman authorities.

Day 10: Athens - Rome, Italy - Extension Begins

Early this morning,* travel from Athens on an inspirational journey to Rome and experience fascinating religious sites connected to the life of Paul the Apostle, recalling both his first and second visits to the city. Pause for a moment of reflection in the Abbey of *Tre Fontane* (Three Fountains), built on the believed site of Paul's martyrdom. At the nearby Basilica of St. Paul Outside the Walls, take time to meditate on the Apostle's tomb. Then, visit the Mamertine Prison, where Paul was arrested, bound in chains and executed. After settling into your hotel in the late afternoon, join your fellow travellers for a welcome dinner featuring regional delicacies. *Today dinner will be included.*

Day 11: Rome

This morning, cross the invisible border separating Rome from the enclosure of the Vatican State for a guided tour of the Vatican Museums** and St. Peter's Basilica. Take in world-renowned wonders such as the Sistine Chapel and Michelangelo's mural of *The Last Judgment*, concluding with a visit of St. Peter's Basilica, one of the largest religious buildings in the world. Pause for a moment of reflection by the *Confessio*, the sunken area directly in front of the tomb of the Apostle and which is dedicated to the Confession of faith by Peter that led to his martyrdom. Take time to reflect before an evening at leisure. Perhaps you will join an optional dinner in a popular restaurant, where you'll indulge in a hearty meal accompanied by wine and local entertainment. *Today breakfast will be included.*

Day 12: Rome

Begin your day exploring one of Rome's sixty Catacombs. It was in these underground tunnels that early Christians hid and buried their dead. The afternoon is yours to explore more of the Eternal City. Consider strolling through the Borghese Gardens for views of the city's skyline or meander through Rome's bohemian *Trastevere* district. Perhaps you'll venture back to the Vatican to join into the Papal Blessing traditionally held on Sundays.*** *Today breakfast will be included.*

Day 13: Rome - Depart for Home

Your extension comes to a close today. Say *arrivederci* to Rome as you head to the airport for your flight home. *Today breakfast will be included.*

Please Note:

The overall activity level of this extension is a level 3. This means walking and standing for longer periods of time (2-3 hours) isn't a big deal for you. You can navigate hills and uneven ground, climb into various modes of transport (tuk-tuk, cable car, zodiac, etc.), and could possibly anticipate changes in elevation. Walking four miles over the course of a day is very doable as is climbing 3 flights of stairs. You can handle altitudes between 6,000 and 9,000 feet. You can expect some longer days balanced with free time. This level is not a fit for travellers that require mobility assistance devices.

Fully-guided extensions are a great way to explore a new destination. Enjoy sightseeing and local experiences led by a Tour Manager or local expert.

The space on this extension is limited and will be available on a first come, first served basis. Applicable charges may apply at time of request.

We reserve the right to cancel this extension if a minimum of 6 passengers is not met to operate.

The tour of the Vatican Museums and St. Peter's Basilica requires the ability to walk up to 4 miles (6 kilometers) from the bus drop off to the pickup point. The tour averages 5 hours in length, and visitors must be able to stay on their feet for the entire time as there is no seating available in the Museum. You must expect large crowds at security checkpoints and inside the Museum and Sistine Chapel. The Vatican Museums do not have air conditioning. The included activities are not suitable for travellers using motorised scooters, wheelchairs, walkers, or Zimmer-frames. The included sightseeing requires accessing locations that restrict motor coaches. Rome is paved in cobblestones and the sidewalks are poorly maintained: please be mindful of your step and watch out for small potholes, loose stones, and gravel. For your well-being, we recommend bringing comfortable, well broken-in walking shoes.

If you require any special assistance while on tour, please make us aware at time of reservation so the necessary request form can be sent to your attention.

If you are travelling between January 1 and December 31, 2025, you will be in Rome during the Catholic Holy Year. Large crowds are expected at all churches and religious sites during this time. If you would like to complete the Catholic rite of crossing the Holy Door of St. Peter's Basilica to obtain 'plenary indulgence', you must be prepared to stand in line for 2 to 4 hours without seating. The crowds may induce the city government of Rome to introduce additional limits to motor coach circulation determining the need to use public transport.

***On select departures, the tour of the Vatican Museums and St. Peter's Basilica may operate on a different day due to availability of reservations and closure on Sundays and holidays. Dates and times are subject to change based on availability of reservations.

**Depending on the day of the week on which you travel, you may be in Rome on Sunday, allowing you to attend the Papal Blessing in St. Peter's Square. The Papal Blessing is, at times, unavailable due to the Pope's travel schedule. No reservation is required.

Single accommodations are limited and are available on a first-come, first-served basis. Single rate subject to change based on availability.

For air-inclusive reservations, the name provided at time of booking must match your government-issued ID that will be used during travel. Name changes are subject to penalties.

Air inclusive rate is valid for guests who have purchased our air package for the full tour, depending on the air schedule selected. Rate may vary for those who have purchased their own air.

*Due to tour scheduling, flights should arrive in Rome no later than 10:30 a.m. The flight between Athens and Rome is not included in the land price of your extension.
