# FORMATION SESSIONS

## Open to Everyone

This formation series, offered online with some in-person sessions, will provide people from across the Archdiocese an opportunity to go deeper into the themes, practices and theology as we all prepare for the 2026 Archdiocesan Synod. The Synod will affect everyone in the diocese, what does that mean for you and your parish, school, or community? All are invited to attend the formation sessions. Register at the link below.
